## **5. EVALUATION AND ASSESSMENT METHODS & MINIMUM STANDARDS**

- A. Post-Doctoral candidates will not have guides and will do research on self- guidance basis.
- B. The candidate shall submit his thesis which must be on one main theme and should not be derived from a series of unconnected papers of the candidate.
- C. The thesis shall comprise a holistic document to include in a self-contained manner the research done for the award of the post-doctoral degree. Publication of papers in reviewed journals is essential. Reprints of published papers and manuscripts of the communicated papers shall be appended in the thesis volume. The thesis shall be submitted in a format as prescribed in the guidelines.
- D. The thesis shall be accompanied by a declaration signed by the candidate that the thesis has been composed by him independently and a certificate that the contents of the thesis

have not previously formed the basis for the award of any other Degree or Diploma or Associateship, Fellowship or other similar title.

- E. The language of thesis will remain English or Hindi excepts in the subjects of languages, where in the thesis can be written in English, Hindi or any other languages, as the case may be.
- F. Prior to the submission of the thesis, the scholar shall make a presentation in the Department before the Department Research Advisory Committee of the Subject concerned which shall also be open to all faculty members and other research scholars. The feedback and comments obtained from them may be suitably incorporated into the draft thesis in consultation with the DRAC.
- G. The D.Litt./D.Sc. Scholar shall publish atleast 10 research papers in peer-reviewed/refereed journals/books with ISSN/ISBN numbers and make atleast five paper presentations in conferences/seminars before the submission of the thesis for adjudication, and produce evidence for the same in the form of presentation certificates and/or reprints.
- H. The Scholar shall submit with his/her application three copies of his/her D.Litt./D.Sc. thesis which shall be in the form of published work, or published paper(s) or books, that contain original contribution to the advancement of knowledge. He/she shall not enclose the publications which contain the materials on which he/she obtained the Ph.D. Degree. The initiation chapter of the thesis may summaries the doctoral work of the candidate supported by publications and thus indicate the theme of the D.Litt./D.Sc. thesis. The candidates should also provide a detailed citation index of his/her publications wherever applicable. The D.Litt./D.Sc. thesis must be on a series of connected papers alone on the main theme and additional papers can be submitted in support of the main theme only on the understanding that the candidate indicates to that effect in the preface of the thesis.
- I. The Academic Council (or its equivalent body) of the University shall use a plagiarism detecting software to detect plagiarism and other forms of academic dishonesty. While submitting for evaluation, the thesis shall have an undertaking from the research scholar attesting to the originality of the work, vouching that there is no plagiarism and that the work has not been submitted for the award of any other degree/diploma of the same Institution where the work was carried out, or to any other Institution.
- J. The D.Litt./D.Sc. thesis submitted by a research scholar shall be evaluated by at least four external examiners, who are not in employment of the Sikkim Sardar Patel

University, of whom one examiner may be from outside the country. The viva-voce examination, based among other things, on the critiques given in the evaluation report, shall be conducted by The Dean of Research and at least one of the four external examiners, and shall be open to be attended by Members of the DRAC, all faculty members of the Department, other research scholars and other interested experts/researchers.

- a. The experts recommended shall be either Professors/Associate Professors or industry experts or persons of eminence or the persons holding equal status; and their specialization shall either be relevant to the topic of thesis or shall be from an interdisciplinary but relevant field. Names of only those persons would be recommended who are known to be physically fit and are able to undertake journey for the conduct of Viva-Voce examination, if invited. Even the retired persons, who are otherwise fit for the purpose, may be listed on the panel of examiners/evaluators.
- b. The candidate will have to present himself/herself for the Viva-Voce examination which shall also be openly defended, as and when fixed by the University failing which he/she will be declared ineligible for the award of degree. The viva-voce may be conducted either in an online mode or in an offline mode. However, in case the candidate is unable to attend the Viva-Voce examination on fixed day for any unavoidable reason, the controller of Examinations on candidate's written request and with a stipulated fee may allow one time postponement of the date of viva-voce up to a maximum period of 3 months from the date previously fixed by the University, failing which the candidate will be declared ineligible for the award of degree. In case, the examiner has turned up for Viva-Voce examination of the said candidate on the fixed date, the total expenditure of TA/DA will be changed from the candidates up to next rounding figure of Rs. One thousand on higher side.
- c. The evaluator will state categorically whether in his/her opinion.
  - i) A thesis is accepted for the award of D.Litt./D.Sc. Degree, or
  - ii) It should be revised, or
  - iii) It should be rejected.
- d. The evaluators(s) will state reasons for the approval or rejection of the thesis. If he/she recommends re-submission with revision, he/she shall specifically indicate what modifications he/she wants the candidates to incorporate in thesis.

- e. If the evaluators(s) examiners(s) of the thesis recommend the awards of the degree, he/they may also give in their report a set of questions which they would like to put to the candidate at the time of Viva-Voce examination.
- f. If any one of the evaluators/examiners recommend re-submission with a revision of the thesis, the candidate shall be asked to modify the thesis and re-submit the same only once, not earlier than 3 months and not later than six months, after having carried out all the modifications have been carried out. The thesis will be submitted with a thesis evaluation fee.
- g. In case, the candidate appears for his/her Viva-Voce examination, but fails in Viva-Voce, in such case the second evaluator may be called for conducting the Viva-Voce after giving at least three months' time to the scholar to prepare himself/herself. The report of second examiner will be considered as final.
- h. The re-submitted thesis shall be examined by the examiner(s) who evaluated the original thesis unless any of them is unable or unwilling to do so in which case substitute shall be appointed out of the panel of experts (approved by the Vice-Chancellor). The examiner(s) of the revised thesis will only see whether objections raised have been incorporated or not.
- i. A thesis will be considered rejected, in case three or more evaluators have recommended the rejection of the thesis. A candidate whose thesis has been rejected shall not be registered again for D.Litt./D.Sc. degree with the same topic.
- j. If at least three examiners recommend award of degrees, the candidates would be examined through a Viva-Voce examination by one of the examiners who have made recommendations for award of the D.Litt./D.Sc. degree. The examiner for viva-voce will be nominated by the Vice-Chancellor. If the evaluators of the above category (i.e. those who have recommended the award D.Litt./D.Sc. degree) are unable or unwilling to conduct the Viva-Voce examination, another name may be considered for the purpose by the Vice-Chancellor out of the panel already approved by the DRAC.
- k. The Viva-Voce examination shall be conducted by the External Examiner and will be held in the concerned department at the University unless ordered otherwise by the Vice-Chancellor. The date, time and the subject of thesis shall be notified to the teachers and the research scholars of the faculty, who shall be permitted to be present at the time of Viva-Voce Examination, but they shall

have no right to put any question to the candidates. The reports of all the evaluators/examiners shall be placed before the D.Litt./D.Sc. committee to consider the reports and to recommend to the Vice-Chancellor whether:

- i) The D.Litt./D.Sc. degree be awarded, or
- ii) The thesis be revised for re-examination, or
- iii) The thesis be rejected.

1. The absence of Dean, Faculty and/or Chairperson of the department concerned in the meeting of D.Litt./D.Sc. committee shall not vitiate its proceedings. However, the Vice-Chancellor may co-opt an expert in the subject as a substitute to the Chairperson of the department if he considers it necessary.
- K. The public viva-voce of the research scholar to defend the thesis shall be conducted only if the evaluation report(s) of the external examiner(s) on the thesis is/are satisfactory and include a specific recommendation for conducting the viva-voce examination.
- L. The entire process of evaluation of D.Litt./D.Sc. thesis shall be completed within a period of three months from the date of submission of the thesis.
- M. University may also access the required facilities of the neighbouring Institutions/Colleges, or of those Institutions/Colleges/R&D laboratories/Organizations which have the required facilities.
- N. Part-time D.Litt./D.Sc. will be allowed provided all the conditions mentioned in the extant D.Litt./D.Sc. Regulations are met.
- O. If the conduct/work of Research Scholar is found unsatisfactory at any stage as reported by the Supervisor, the DRAC shall give him/her an opportunity to explain his/her position and make suitable recommendations including de-registration. The DRAC may then recommend cancellation of his/her registration to the appropriate bodies. However, the registration of candidate may also be cancelled on the basis of written request made by the candidate in this respect.
- P. If a candidate fails to submit his/her thesis within the stipulated period of 2 years and has not applied for the extension before the expiry of the above said period, the registration of the candidate will automatically stand cancelled. However, the candidates may applied for restoration of his/her D.Litt./D.Sc. registration with restoration fee of Rs. 10,000/- with in a period of 3 months, with restoration fee of Rs. 25,000/- within a period of 6 months, and with a restoration fee of Rs. 50,000/- with in a period of one year, where after no application shall be entertained in this respect in

this respect. In any case, the application for restoration of registration must be recommended by the DRAC. The Vice-Chancellor may allow such restoration, if he is satisfied with the reasons given by the candidate for not seeking extension for submission of the thesis well in time. The restoration fees will be change when require. The Various fees shall be chargeable as fixed by the University from time to time through Prospectus/ notifications.

- Q. Notwithstanding anything mentioned above, the Academic Council on the recommendation of the Vice-Chancellor shall have the right to withdraw the degree if plagiarism or duplication or any other form of malpractice is detected at any stage, and to initiate such further action as it deems fit. Provided that the Vice-Chancellor shall get the complaint in the mater investigated confidentially and shall give the accused a fair opportunity to explain his/her view point before he/she makes his/her recommendations on the matter to the Academic Council. There shall be no limitation of time for this action of Academic Council.
- R. A candidate may be allowed to publish his/her thesis in book form with prior permission of the University. The research scholar may apply to the Vice-Chancellor/Dean-Research/DRAC for publishing his/her thesis in a book form. The Vice-Chancellor/Dean-Research/DRAC shall satisfy himself/herself that the thesis is publishable in its original or modified form. He/she, however, may be guided by the reports of the examiners in this regard. However, in this later case (i.e. modified form) a certificate will be obtained from the supervisor to the effect that necessary improvements suggested by him/her and the examiners have been properly incorporated in the thesis.

## 6. OTHER STANDARDS

Post-doc programmes through part-time mode will be permitted, provided all the conditions stipulated in these Regulations are fulfilled. The University shall obtain a “No Objection Certificate” through the candidate for a part-time D.Sc./D.Litt. programme from the appropriate authority in the organization where the candidate is employed.

In case of any difficulty in the interpretation of these rules the decision of the Governing Body of the University shall be final and binding.

In case of any dispute the matter shall be referred for arbitration and the Civil Courts shall have no jurisdiction to take cognizance of the matter in dispute.
